

Lost in Paris

Lost in Paris in the rain feeling blue
Take a walk down by the river avenue
pick a flower by the tower nothing new
Lost in Paris lost in love lost in you

Lost in Paris don't know where I'm going to
Can't see the world pass me by what to do
Whisky nights blur the morning that's for sure
Lost in Paris lost in love lost in you

This gypsy life will be the end of me
Too much world so little time to see
Stop this rambling this urge to roam
Think of you think of you think I'll go home

Lost in Paris in the rain feeling blue
Take a walk down by the river avenue
Pick a flower by the tower nothing new
Lost in Paris lost in love lost in you

Lost in Paris No one here to talk to me
Feeling lonely by hour that's for sure
M'nselle smiles at proves no lure
Lost in Paris Lost in love Lost in You
